EEU Summer 2019
COLUMBIA UNIVERSITY EDUCATION EXPERIENCE FOR UNDERGRADUATES

Serve as a leader, mentor, and advisor to local high school students in the Columbia Engineering Summer High School Academic Program for Engineers (SHAPE), a selective summer program geared toward those interested in STEM!

- Earn a $5000 stipend
- Work alongside SEAS faculty and assist in their computer science, robotics, electrical engineering, or biomedical engineering courses
- Design and teach your own elective course
- Network with other undergraduates

APPLICATION DEADLINE: MARCH 15

PROGRAM DATES: JUNE 24-AUGUST 2
