# COMPUTER SCIENCE AND COMPUTER ENGINEERING
OverSEAS

Most students choose to do their study abroad during the second semester of their Sophomore year

COLUMBIA ENGINEERING FOR HUMANITY

SUSTAINABLE · HEALTHY · SECURE · CONNECTED · CREATIVE
DATA SCIENCE · SENSING · IMAGING · VISUALIZATION · MODELING · SIMULATION · MATERIALS · NANOSCIENCE · DEVICES · ROBOTICS

SOME POPULAR DESTINATION FOR SEAS STUDENTS

- CIEE Madrid: Engineering and Society
- Hong Kong University of Science and Technology
- University of Bristol
- CIEE South Africa: University of Cape Town
- University of Edinburgh
- AIT Budapest

POPULAR DESTINATIONS FOR COMPUTER SCIENCE AND ENGINEERING STUDENTS

- IFSA Butler in Australia: University of Sydney
- University College London
- University of Hong Kong
- Queen Mary, University of London
- University College Dublin

WHICH COURSES HAVE BEEN APPROVED

- CS Theory
- User Interface Design
- Database System Implementation
- Fundamentals of Large-Scale Distributed Systems
- Analysis of Algorithms
- Technical and Non-Technical Electives

Please feel free to use these as guidelines but note that previous approval does not guarantee future approval
